Proper Citation: Spike2 Software (RRID:SCR_000903)

Description: THIS RESOURCE IS NO LONGER IN SERVICE. Documented on September 23, 2022. A data acquisition and analysis software package for electrophysiology data. Spike2 software offers multi-channel continuous data acquisition and analysis with a multitude of options. This offers flexible usage from a simple chart recorder to complex applications requiring stimulus generation, data capture, scrolling or triggered displays, control of external equipment, and custom analysis. Spike2 software can be used in many fields such as electrophysiology, neurophysiology, cardiovascular and respiratory studies, sports science and pharmacology.

Synonyms: Spike 2 software Cambridge Electronic Device, Spike2

Resource Type: software resource

Keywords: electrophysiology, eeg, neurophysiology, cardiovascular, respiratory, sports science, pharmacology, data acquisition, stimulus generation, data capture, continuous

Availability: THIS RESOURCE IS NO LONGER IN SERVICE

Resource Name: Spike2 Software

Resource ID: SCR_000903

Alternate IDs: nlx_156886, rid_000090

Record Creation Time: 20220129T080204+0000

Record Last Update: 20260815T182149+0000

Ratings and Alerts

No rating or validation information has been found for Spike2 Software.

No alerts have been found for Spike2 Software.
