EMBASE

RRID:SCR_001650

Type: Tool

Proper Citation

EMBASE (RRID:SCR_001650)

Resource Information

URL: <http://www.elsevier.com/online-tools/embase>

Proper Citation: EMBASE (RRID:SCR_001650)

Description: Comprehensive international bibliographic biomedical database that enables users to track and retrieve precise information on drugs and diseases from pre-clinical studies to searches on critical toxicological information. It contains bibliographic records with citations, abstracts and indexing derived from biomedical articles in peer reviewed journals, and is especially strong in its coverage of drug and pharmaceutical research. Embase can help with everything from clinical trials research to pharmacovigilance and is updated online daily and weekly. Its broad biomedical scope covers the following areas: * Drug therapy and research, including pharmaceuticals, pharmacology and toxicology * Clinical and experimental (human) medicine * Basic biological science relevant to human medicine * Biotechnology and biomedical engineering, including medical devices * Health policy and management, including pharmacoeconomics * Public, occupational and environmental health, including pollution control * Veterinary science, dentistry, and nursing The Embase Application Programming Interface supports export, RSS feeds, and integration services, making it possible to share data with a wide range of systems.

Abbreviations: Embase

Synonyms: EMBASE: Excerpta Medica, Excerpta Medica Database, Embase: Biomedical Database, EMBASE (Excerpta Medica Database)

Resource Type: data or information resource, database

Keywords: biomedical, drug, disease, regulatory requirement, drug research, pharmacology, pharmaceuticals, toxicology, clinical, experimental medicine, health policy, management, public health, occupational health, environmental health, drug dependence, drug abuse, psychiatry, forensic medicine, biomedical engineering, biomedical instrumentation, nursing, dentistry, veterinary medicine, psychology, alternative medicine, clinical trial, pharmacovigilance, pharmacology, drug safety, adverse drug reaction, chemical, bibliography, FASEB list

Availability: Restricted

Resource Name: EMBASE

Resource ID: SCR_001650

Alternate IDs: nlx_153929

Record Creation Time: 20220129T080208+0000

Record Last Update: 20260829T182910+0000

Ratings and Alerts

No rating or validation information has been found for EMBASE.
