MADELINE

RRID:SCR_001979

Type: Tool

Proper Citation

MADELINE (RRID:SCR_001979)

Resource Information

URL: <http://eyegene.ophthy.med.umich.edu/madeline/>

Proper Citation: MADELINE (RRID:SCR_001979)

Description: Software tool designed for preparing, visualizing, and exploring human pedigree data used in genetic linkage studies. It converts pedigree and marker data into formats required by popular linkage analysis packages, provides powerful ways to query pedigree data sets, and produces Postscript pedigree drawings that are useful for rapid data review.

Abbreviations: MADELINE

Synonyms: Madeline

Resource Type: service resource, software application, software resource

Defining Citation: [PMID:17488757](#)

Keywords: gene, genetic, genomic, c, unix, solaris, freebsd, openbsd, macos, ms-windows, cygwin, linux, pedigree, draw, linkage association, family association

Availability: THIS RESOURCE IS NO LONGER IN SERVICE

Resource Name: MADELINE

Resource ID: SCR_001979

Alternate IDs: nlx_154446, OMICS_00210

Alternate URLs: <http://eyegene.ophthy.med.umich.edu/#madeline>

License: GNU General Public License

Record Creation Time: 20220129T080210+0000
