hot scan

RRID:SCR_002840

Type: Tool

Proper Citation

hot scan (RRID:SCR_002840)

Resource Information

URL: https://github.com/itojal/hot_scan

Proper Citation: hot scan (RRID:SCR_002840)

Description: A free software to detect genomic regions unusually rich in translocation breakpoints. More generally, it may be used to detect a region that is unusually rich in a given character of a binary sequence.

Synonyms: hot_scan

Resource Type: software resource

Defining Citation: [PMID:24860160](#)

Keywords: software package, perl, r, bio.tools

Availability: Free, Freely available, Available for download

Resource Name: hot scan

Resource ID: SCR_002840

Alternate IDs: biotools:hot_scan, OMICS_05200

Alternate URLs: https://bio.tools/hot_scan

License: GNU General Public License, v2

Record Creation Time: 20220129T080215+0000

Record Last Update: 20260815T182218+0000

Ratings and Alerts

No rating or validation information has been found for hot scan.

No alerts have been found for hot scan.

Data and Source Information
