Type: Tool

Proper Citation

LIPID MAPS Structure Database (RRID:SCR_003817)

Resource Information

URL: <http://www.lipidmaps.org/data/structure/>

Proper Citation: LIPID MAPS Structure Database (RRID:SCR_003817)

Description: Collection of structures and annotations of biologically relevant lipids that contains unique lipid structures. Structures of lipids from : LIPID MAPS Consortium's core laboratories and partners; lipids identified by LIPID MAPS experiments; biologically relevant lipids manually curated from LIPID BANK, LIPIDAT, Lipid Library, Cyberlipids, ChEBI and other public sources; novel lipids submitted to peer-reviewed journals; and computationally generated structures for appropriate classes. All the lipid structures adhere to the structure drawing rules proposed by the LIPID MAPS consortium. A number of structure viewing options are offered: gif image (default), Chemdraw (requires Chemdraw ActiveX/Plugin), MarvinView (Java applet) and Jmol (Java applet). All lipids have been classified using the LIPID MAPS Lipid Classification System. Each lipid structure has been assigned a LIPID MAPS ID (LM_ID) which reflects its position in the classification hierarchy. In addition to a classification-based retrieval of lipids, users can search using either text-based or structure-based search options.

Abbreviations: LMSD

Synonyms: LIPID MAPS Structure Database (LMSD)

Resource Type: data or information resource, database

Defining Citation: [PMID:17098933](#)

Keywords: fatty acyl, glycerolipid, glycerophospholipid, sphingolipid, sterol lipid, prenol lipid, saccharolipid, polyketide, lipid, structure, image, annotation, metabolomics

Funding: NIGMS

Availability: Public, Free, Acknowledgement required, Non-commercial, Copyrighted

Resource Name: LIPID MAPS Structure Database

Resource ID: SCR_003817

Alternate IDs: nlx_158117

Record Creation Time: 20220129T080221+0000

Record Last Update: 20260829T182922+0000

Ratings and Alerts

No rating or validation information has been found for LIPID MAPS Structure Database.

No alerts have been found for LIPID MAPS Structure Database.
