Proper Citation: Simcyp (RRID:SCR_003944)

Description: Research based company providing predictive pharmacokinetic and pharmacodynamic tools, workshops and consultancy services. Their user-friendly simulator and databases predict drug absorption, clearance, distribution and metabolic drug-drug interactions from in vitro data. Simcyp's clients include major global pharmaceutical and bioscience companies, leading academic institutes and regulatory authorities. These clients form the Simcyp Consortium, which together with independent International Scientific Advisory Board, guide scientific development at Simcyp. Simcyp was acquired by Certara in 2012.

Synonyms: Simcyp Ltd, Simcyp Limited

Resource Type: commercial organization

Keywords: modelling, simulation, pharmaceutical, drug development, pharmacokinetics, pharmacodynamics, population, drug-drug interaction, clinical, infant, child, adult, drug, interaction, database, FASEB list

Funding: European Union FP6 ;
UK Department of Trade and Industry

Resource Name: Simcyp

Resource ID: SCR_003944

Alternate IDs: nlx_158337

Record Creation Time: 20220129T080221+0000

Record Last Update: 20260815T182238+0000

Ratings and Alerts

No rating or validation information has been found for Simcyp.

No alerts have been found for Simcyp.
