# Therapeutic Target Database

RRID:SCR\_006892

Type: Tool

### **Proper Citation**

Therapeutic Target Database (RRID:SCR\_006892)

#### **Resource Information**

URL: http://xin.cz3.nus.edu.sg/group/cjttd/ttd.asp

**Proper Citation:** Therapeutic Target Database (RRID:SCR\_006892)

**Description:** A database to provide information about the known and explored therapeutic protein and nucleic acid targets, the targeted disease, pathway information and the corresponding drugs/ligands directed at each of these targets. Also included in this database are links to relevant databases that contain information about the function, sequence, 3D structure, ligand binding properties, enzyme nomenclature and related literatures of each target. This database currently contains 1535 targets and 2107 drugs/ligands. Queries can be submitted by entering or selecting the required information in any one or combination of the five fields in the form. User can specify full name or any part of the name in a text field, or choose one item from an selection field.

Abbreviations: TTD

Resource Type: database, data or information resource

**Keywords:** therapeutic, protein, nucleic acid, disease, pathway, drug, ligand, target, FASEB

list

**Funding:** 

**Resource Name:** Therapeutic Target Database

Resource ID: SCR\_006892

**Alternate IDs:** nif-0000-03596, OMICS\_01593

Alternate URLs: http://bidd.nus.edu.sg/group/cjttd/

**Record Creation Time:** 20220129T080238+0000

Record Last Update: 20250503T055847+0000

### Ratings and Alerts

No rating or validation information has been found for Therapeutic Target Database.

No alerts have been found for Therapeutic Target Database.

#### Data and Source Information
