Proper Citation

Functional MRI Analysis and Clustering Tools (RRID:SCR_007363)

Resource Information

URL: <http://mr.ee.ntu.edu.tw/doku.php>

Proper Citation: Functional MRI Analysis and Clustering Tools (RRID:SCR_007363)

Description: FACT (Functional MRI Analysis and Clustering Tools) is free software for analyzing time series data like fMRI and perfusion MRI. It provides correlation analysis, t-test and temporal clustering analysis -- Kohonen Clustering Network and Fuzzy Clustering. A set of analysis tools applicable to fMRI time-series data.

Synonyms: FACT

Resource Type: data processing software, software application, software resource

Resource Name: Functional MRI Analysis and Clustering Tools

Resource ID: SCR_007363

Alternate IDs: nif-0000-00297

Old URLs: <http://mr.ee.ntu.edu.tw/~khchuang/fact.html>

Record Creation Time: 20220129T080241+0000

Record Last Update: 20260821T193821+0000

Ratings and Alerts

No rating or validation information has been found for Functional MRI Analysis and Clustering Tools.

No alerts have been found for Functional MRI Analysis and Clustering Tools.

Data and Source Information

Usage and Citation Metrics

We found 193 mentions in open access literature.

Listed below are recent publications. The full list is available at [ASWG](#) .
