Tulane National Biomedical Research Center

RRID:SCR_008167

Type: Tool

Proper Citation

Tulane National Biomedical Research Center (RRID:SCR_008167)

Resource Information

URL: <http://tnprc.tulane.edu>

Proper Citation: Tulane National Biomedical Research Center (RRID:SCR_008167)

Description: Center focused on understanding human health problems, including infectious diseases that require the use of nonhuman primates to develop diagnostics, therapeutics and preventive strategies. Primary research interests include developing vaccines, treatments and diagnostic tools for infectious diseases such as AIDS, tuberculosis, CMV, COVID-19, Lyme disease, and malaria. TNPRC has both biosafety level 2 and biosafety level 3 laboratories facilities to accommodate various research needs, and is the only National Primate Research Center with Regional Biosafety Laboratory.

Abbreviations: TNPRC

Synonyms: Tulane National Primate Research Center

Resource Type: data or information resource, disease-related portal, organization portal, portal, topical portal

Keywords: NPRC, NPRC Consortium, ORIP, primate research,

Funding: NIH Office of the Director P51 OD011104;
NIH Office of the Director U42 OD010568;
NIH Office of the Director U42 OD024282

Resource Name: Tulane National Biomedical Research Center

Resource ID: SCR_008167

Alternate IDs: nif-0000-24360

Alternate URLs: <https://orip.nih.gov/comparative-medicine/programs/vertebrate-models>

Record Creation Time: 20220129T080245+0000

Record Last Update: 20260829T182300+0000

Ratings and Alerts

No rating or validation information has been found for Tulane National Biomedical Research Center.

No alerts have been found for Tulane National Biomedical Research Center.
