BLAST Assembled RefSeq Genomes

RRID:SCR_008420

Type: Tool

Proper Citation

BLAST Assembled RefSeq Genomes (RRID:SCR_008420)

Resource Information

URL: <http://130.14.29.110/BLAST/>

Proper Citation: BLAST Assembled RefSeq Genomes (RRID:SCR_008420)

Description: This portal takes you to the NCBI's BLAST Assembled RefSeq Genomes. The Basic Local Alignment Search Tool (BLAST) finds regions of local similarity between sequences. The program compares nucleotide or protein sequences to sequence databases and calculates the statistical significance of matches. BLAST can be used to infer functional and evolutionary relationships between sequences as well as help identify members of gene families. Sponsors: This resource is supported by the National Institutes of Health. Keywords: BLAST, Genome, Search engine, Sequence, Biological, Local, Alignment, Nucleotide, Protein, Program, Database, Stastical, Functional, Evolutionaary, Gene,

Synonyms: BLAST

Resource Type: data or information resource, portal, topical portal

Resource Name: BLAST Assembled RefSeq Genomes

Resource ID: SCR_008420

Alternate IDs: nif-0000-30153

Record Creation Time: 20220129T080247+0000

Record Last Update: 20260821T193838+0000

Ratings and Alerts

No rating or validation information has been found for BLAST Assembled RefSeq Genomes.

No alerts have been found for BLAST Assembled RefSeq Genomes.
