## Beth Israel Deaconess Medical Center Histology Core Facility

RRID:SCR\_009669 Type: Tool

**Proper Citation** 

Beth Israel Deaconess Medical Center Histology Core Facility (RRID:SCR\_009669)

## **Resource Information**

URL: https://research.bidmc.org/histology-core

**Proper Citation:** Beth Israel Deaconess Medical Center Histology Core Facility (RRID:SCR\_009669)

**Description:** Core does routine paraffin and frozen sectioning on tissues for research purposes. We offer consultation services, and fee-for-service tissue grossing, processing, embedding, sectioning and staining. Special stains are also done routinely. Paraffin-embedded or frozen sections can be passed-on to a partner core, the BIDMC-Confocal and Immunostaining core, for DAB or fluorescence staining and analysis. No training or independent usage of Histology core or its equipment is possible.

**Synonyms:**, Beth Israel Deaconess Medical Center BIDMC-Histology Core, BIDMC Histology Core

Resource Type: core facility, access service resource, service resource

Keywords: histology, tissue embedding, tissue sectioning, histological sample preparation
