La Jolla Institute for Immunology Microscopy and Histology Core Facility

RRID:SCR_014835

Type: Tool

Proper Citation

La Jolla Institute for Immunology Microscopy and Histology Core Facility
(RRID:SCR_014835)

Resource Information

URL: <https://www.lji.org/research/research-services/microscopy-histology/>

Proper Citation: La Jolla Institute for Immunology Microscopy and Histology Core Facility
(RRID:SCR_014835)

Description: Core facility dedicated to providing a static or dynamic (in vitro/in vivo) imaging services by offering histology and microscopy services and providing support and training to interested researchers. The facility offers a range of light microscopes, related imaging systems and image analysis resources for assisted or independent use (upon training). It also can provide advice on proper sample fixation, processing, embedding of tissues with attention to desired orientation, decalcification of bone tissue, cutting of paraffin blocks, cryosectioning, routine and special stains as well as training in histological techniques.

Resource Type: access service resource, core facility, service resource

Keywords: imaging, in vivo, static, microscopy, histology, microscope, proper sample fixation, cryosectioning, histology techniques

Availability: Open

Resource Name: La Jolla Institute for Immunology Microscopy and Histology Core Facility

Resource ID: SCR_014835

Alternate IDs: ABRF_5688

Alternate URLs: https://coremarketplace.org/RRID:SCR_014835/?citation=1

Old URLs: <http://www.lji.org/faculty-research/scientific-cores/microscopy-histology/#overview>

Record Creation Time: 20220129T080322+0000

Record Last Update: 20260821T194027+0000

Ratings and Alerts

No rating or validation information has been found for La Jolla Institute for Immunology Microscopy and Histology Core Facility.

No alerts have been found for La Jolla Institute for Immunology Microscopy and Histology Core Facility.
