Washington University Digestive Diseases Research Core Center Advanced Imaging and Tissue Analysis Core

RRID:SCR_015254

Type: Tool

Proper Citation

Washington University Digestive Diseases Research Core Center Advanced Imaging and Tissue Analysis Core (RRID:SCR_015254)

Resource Information

URL: <https://ddrcc.wustl.edu/scientific-cores/advanced-imaging-tissue-analysis-core/>

Proper Citation: Washington University Digestive Diseases Research Core Center Advanced Imaging and Tissue Analysis Core (RRID:SCR_015254)

Description: Core facility which provides comprehensive histologic and immunohistochemical support, advanced microscopic imaging and image analysis services to digestive disease researchers. The Tissue Analysis Component performs animal and human tissue embedding, sectioning, routine and special staining, and immunohistochemical analyses, and provides training in all services while the Advanced Image Analysis Component provides access to and training in routine light, fluorescent and inverted fluorescent microscopy and quantitative image analysis.

Resource Type: access service resource, core facility, resource, service resource

Keywords: imaging core, imaging services, tissue imaging, advanced imaging, image analysis

Related Condition: digestive disease

Funding: NIDDK P30DK052574

Availability: Available to the research community

Resource Name: Washington University Digestive Diseases Research Core Center Advanced Imaging and Tissue Analysis Core

Resource ID: SCR_015254

Record Creation Time: 20220129T080324+0000

Record Last Update: 20260821T194039+0000

Ratings and Alerts

No rating or validation information has been found for Washington University Digestive Diseases Research Core Center Advanced Imaging and Tissue Analysis Core .

No alerts have been found for Washington University Digestive Diseases Research Core Center Advanced Imaging and Tissue Analysis Core .
