DIAMOND

RRID:SCR_016071

Type: Tool

Proper Citation

DIAMOND (RRID:SCR_016071)

Resource Information

URL: <https://github.com/bbuchfink/diamond>

Proper Citation: DIAMOND (RRID:SCR_016071)

Description: Software that performs sequence alignment for protein and translated DNA searches and functions. Used for high performance analysis of big sequence data, protein-protein search, and DNA-protein search.

Resource Type: data analysis software, data processing software, sequence analysis software, software application, software resource

Defining Citation: [PMID:25402007](#), [DOI:10.1038/nmeth.3176](#)

Keywords: sequence, aligner, high, performance, analysis, big, data, protein, DNA, bio.tools

Availability: Free, Available for download

Resource Name: DIAMOND

Resource ID: SCR_016071

Alternate IDs: OMICS_08011, biotools:diamond

Alternate URLs: <https://bio.tools/diamond>, <https://sources.debian.org/src/diamond-aligner/>

License: AGPL-3.0

Record Creation Time: 20220129T080328+0000

Record Last Update: 20260821T194035+0000

Ratings and Alerts

No rating or validation information has been found for DIAMOND.

No alerts have been found for DIAMOND.
