RaceID

RRID:SCR_017045

Type: Tool

Proper Citation

RaceID (RRID:SCR_017045)

Resource Information

URL: <https://github.com/dgrun/RaceID>

Proper Citation: RaceID (RRID:SCR_017045)

Description: Algorithm for identification of rare and abundant cell types from single cell transcriptome data. Based on transcript counts obtained with unique molecular identifies. Used for discovering rare cell types and corresponding marker genes in healthy and diseased organs. Operating system Unix/Linux, Mac OS, Windows.

Synonyms: RaceID3, RaceID2

Resource Type: algorithm resource, data analysis software, data processing software, software application, software resource

Defining Citation: [PMID:26287467](#), [PMID:27345837](#)

Keywords: inference, cell, type, single, RNAseq, data, sequencing, rare, abundant, transcriptome, marker, gene, organ

Funding: European Research Council Advanced grant ;
Nederlandse Organisatie voor Wetenschappelijk Onderzoek Vici award

Availability: Free, Available for download, Freely available

Resource Name: RaceID

Resource ID: SCR_017045

Alternate IDs: OMICS_12591, SCR_017243

Alternate URLs: <https://rdr.io/cran/RaceID/>, https://github.com/dgrun/RaceID3_StemID2

Record Creation Time: 20220129T080333+0000

Record Last Update: 20260821T194114+0000

Ratings and Alerts

No rating or validation information has been found for RaceID.

No alerts have been found for RaceID.
