Proper Citation: GemPharmatech (RRID:SCR_017239)

Description: Contract research organization that provides genetically engineered mouse models (GEMMs) and services to global preclinical Research and Development communities. Specializes in developing animal models using cutting edge gene-editing technologies with large collection of cKO/KO (conditional knockout/knockout) mice, humanized mice, immunodeficient mice, and germ-free mice. Provides preclinical services, including mouse model customization, pharmacology services such as drug efficacy testing and mouse phenotyping, CRISPR/Cas9 gene-editing, cryopreservation, rapid expansion, and customized breeding.

Abbreviations: GPT

Synonyms: GPT, GemPharmatech, GemPharmatech Co., Ltd

Resource Type: biomaterial supply resource, material resource, organism supplier

Keywords: RIN, Resource Information Network, genetically engineered mouse models, humanized mice, immunodeficient mice, germ-free mice, mouse model customization, pharmacology services, RRID Community Authority

Resource Name: GemPharmatech

Resource ID: SCR_017239

Old URLs: <http://www.gempharmatech.com/en/>
