

Resource Summary Report

Generated by ASWG on Aug 25, 2026

University at Albany SUNY Center for Functional Genomics Microarray and Next Gen Sequencing Core Facility

RRID:SCR_018262

Type: Tool

Proper Citation

University at Albany SUNY Center for Functional Genomics Microarray and Next Gen Sequencing Core Facility (RRID:SCR_018262)

Resource Information

URL: <https://www.albany.edu/genomics/microarray-ngs.html>

Proper Citation: University at Albany SUNY Center for Functional Genomics Microarray and Next Gen Sequencing Core Facility (RRID:SCR_018262)

Description: Provides services for DNA microarrays for large scale analysis of gene expression, gene regulation, exon splicing, epigenetics. Provides instrumentation for scanning of protein arrays. Offers services in RNA sequencing, ChIP-seq, ChIRP-seq, metagenomics and miRNA sequencing. Provides bioinformatics tools for analysis of results of microarray and sequencing experiments. Houses Illumina Nextseq500 and Ion PGM platforms for next generation sequencing. Provides instruments for Next gen sequencing including Illumina, Minlon, Wafergen-Takara, 10x genomics and for DNA microarrays including Affymetrix, Agilent.

Abbreviations: CFG

Synonyms: Microarray & HT Sequencing Core, UAlbany Center for Functional Genomics Microarray and Next Gen Sequencing Services, University at Albany SUNY Center for Functional Genomics

Resource Type: access service resource, core facility, service resource

Keywords: DNA microarray, gene expression analysis, gene regulation, exon splicing, epigenetics, protein array, RNA sequencing, ChIPseq, ChIRPseq, metagenomics, miRNA, USEdit, ABRF

Availability: Open

Resource Name: University at Albany SUNY Center for Functional Genomics Microarray and Next Gen Sequencing Core Facility

Resource ID: SCR_018262

Alternate IDs: ABRF_106

Alternate URLs: <https://www.albany.edu/genomics/microarray.html>,
<https://coremarketplace.org/?FacilityID=106>

Record Creation Time: 20220129T080339+0000

Record Last Update: 20260821T194126+0000

Ratings and Alerts

No rating or validation information has been found for University at Albany SUNY Center for Functional Genomics Microarray and Next Gen Sequencing Core Facility.

No alerts have been found for University at Albany SUNY Center for Functional Genomics Microarray and Next Gen Sequencing Core Facility.
