Medical University of South Carolina College of Dental Medicine Gnotobiotic Animal Core Facility

RRID:SCR_018884

Type: Tool

Proper Citation

Medical University of South Carolina College of Dental Medicine Gnotobiotic Animal Core Facility (RRID:SCR_018884)

Resource Information

URL: <https://dentistry.musc.edu/research/gcohr>

Proper Citation: Medical University of South Carolina College of Dental Medicine Gnotobiotic Animal Core Facility (RRID:SCR_018884)

Description: Core offers investigators opportunity to address research questions that require use of gnotobiotic animals. Standard services provide germ free mice (e.g. BALB/c, C57BL/6), deriving new strains of mice into germ free state by caesarean section, tissue collection and/or fluid from mice that have not received treatment or manipulations, exporting germ free mice in sterile transporters to other institutions. Non-Standard Services include maintaining and breeding newly derived germ free mice, administration of specialized diets, administration of compounds as therapeutic or disease-inducing agents, tissue collection and/or fluid from mice that have received treatment or manipulations.

Abbreviations: G-COHR

Synonyms: Medical University of South Carolina MUSC Gnotobiotic Animal Core, MUSC Gnotobiotic Animal Core

Resource Type: access service resource, core facility, service resource

Keywords: USEDit, gnotobiotic animals, germ free mice, defined flora mice, service, tissue collection, breeding newly derived germ free mice, ABRF, ABRF

Availability: Open

Resource Name: Medical University of South Carolina College of Dental Medicine Gnotobiotic Animal Core Facility

Resource ID: SCR_018884

Alternate IDs: ABRF_889

Alternate URLs: <https://coremarketplace.org/?FacilityID=889>

Record Creation Time: 20220129T080342+0000

Record Last Update: 20260821T194138+0000
