RRID:SCR_022870

Type: Tool

Proper Citation

msigdb (RRID:SCR_022870)

Resource Information

URL: <https://cran.r-project.org/package=msigdb>

Proper Citation: msigdb (RRID:SCR_022870)

Description: Software R package contains Molecular Signatures Database (MSigDB) gene sets for multiple organisms in tidy data format. Gene sets in standard R data frame with key value pairs. Package includes human genes as well as corresponding symbols and IDs for frequently studied model organisms such as mouse, rat, pig, fly, and yeast.

Resource Type: software resource, software toolkit

Keywords: Standard R data frame, human genes as listed in MSigDB, corresponding symbols and IDs

Availability: Free, Available for download, Freely available

Resource Name: msigdb

Resource ID: SCR_022870

Alternate URLs: <https://igordot.github.io/msigdb/>

License: MIT license

Record Creation Time: 20221013T050144+0000

Record Last Update: 20260821T194241+0000

Ratings and Alerts

No rating or validation information has been found for msigdb.

No alerts have been found for msigdb.
