RAiD

RRID:SCR_023480

Type: Tool

Proper Citation

RAiD (RRID:SCR_023480)

Resource Information

URL: <https://www.raid.org.au/>

Proper Citation: RAiD (RRID:SCR_023480)

Description: Project that aims to provide persistent, unique and resolvable identifiers for research projects based on global handle system, funded by Australian Research Data Commons.

Synonyms: Research Activity Identifier

Resource Type: community building portal, data or information resource, portal, project portal

Keywords: PID, academic, persistent, unique, resolvable, identifiers, research projects, global handle system,

Funding: Australian Research Data Commons

Availability: Free

Resource Name: RAiD

Resource ID: SCR_023480

Alternate URLs: <https://app.demo.raid.org.au/raids>, <https://raid.org/10.82841>, <https://doi.org/10.82841>, <https://dx.doi.org/10.82841>

Record Creation Time: 20230422T050205+0000

Record Last Update: 20260829T182820+0000

Ratings and Alerts

No rating or validation information has been found for RAiD.

No alerts have been found for RAiD.

Data and Source Information

Source: [SciCrunch Registry](#)

Usage and Citation Metrics

We found 22 mentions in open access literature.

Listed below are recent publications. The full list is available at [ASWG](#) .

Zhang M, et al. (2024) CBIL-VHPLI: a model for predicting viral-host protein-lncRNA interactions based on machine learning and transfer learning. Scientific reports, 14(1), 17549.

Sun L, et al. (2024) Differential gene expression and miRNA regulatory network in coronary slow flow. Scientific reports, 14(1), 8419.
