University College London Mathematical and Physical Sciences Transmission Electron Microscopy Core Facility

RRID:SCR_028489

Type: Tool

Proper Citation

University College London Mathematical and Physical Sciences Transmission Electron Microscopy Core Facility (RRID:SCR_028489)

Resource Information

URL: <https://www.ucl.ac.uk/mathematical-physical-sciences/chemistry/research/technical-services/transmission-electron-microscopy>

Proper Citation: University College London Mathematical and Physical Sciences Transmission Electron Microscopy Core Facility (RRID:SCR_028489)

Description: Core for high resolution imaging and structural analysis of biological specimens, soft matter, and nanomaterials. Used to process samples from solution or powder, allowing researchers to visualize internal structures down to the subnanometer scale. It is critically important that the samples are non-magnetic.

Synonyms: , University College London (UCL) Transmission Electron Microscopy (TEM) Core, UCL TEM Core

Resource Type: access service resource, core facility, service resource

Keywords: ABRF, electron microscope services, visualize internal structures, subnanometer scale, nonmagnetic samples,

Resource Name: University College London Mathematical and Physical Sciences Transmission Electron Microscopy Core Facility

Resource ID: SCR_028489

Alternate IDs: ABRF_5971

Alternate URLs: https://coremarketplace.org/RRID:SCR_028489/?citation=1

Record Creation Time: 20260529T042811+0000

Record Last Update: 20260821T194406+0000

Ratings and Alerts

No rating or validation information has been found for University College London Mathematical and Physical Sciences Transmission Electron Microscopy Core Facility.

No alerts have been found for University College London Mathematical and Physical Sciences Transmission Electron Microscopy Core Facility.
