Medical University of South Carolina AI High Performance Computing Core

RRID:SCR_028822

Type: Tool

Proper Citation

Medical University of South Carolina AI High Performance Computing Core
(RRID:SCR_028822)

Resource Information

URL: <https://www.musc.edu/innovation/partnerships/clemson-musc-ai-hub>

Proper Citation: Medical University of South Carolina AI High Performance Computing Core (RRID:SCR_028822)

Description: Core delivers support, intuitive tools, and broad accessibility for biomedical discovery. Allows teams to move from experimentation to deployment, fostering cross-functional collaboration between AI HPC and the AI Hub, expands access to advanced computing resources, streamline workflows, and empowers a growing network of users. High-performance computer is capable of performing artificial intelligence techniques such as machine learning and deep learning. These resources accelerate healthcare research, help investigators from different fields to work together and share their data and expertise, and ultimately improve population health through rapid translation of research to clinical care.

Synonyms: , Medical University of South Carolina AI High Performance Computing Core Facility, AI High-Performance Computing (AI HPC) Core

Resource Type: access service resource, computational service resource, core facility, service resource

Keywords: ABRF, computing services, access to advanced computing resources, machine learning, deep learning,

Funding: NIH Office of the Director S10OD034280

Resource Name: Medical University of South Carolina AI High Performance Computing Core

Resource ID: SCR_028822

Alternate IDs: ABRF_6122

Alternate URLs: https://coremarketplace.org/RRID:SCR_028822/?citation=1

Record Creation Time: 20260812T044521+0000

Record Last Update: 20260829T183553+0000

Ratings and Alerts

No rating or validation information has been found for Medical University of South Carolina AI High Performance Computing Core.

No alerts have been found for Medical University of South Carolina AI High Performance Computing Core.
