### Resource Information

**URL:** <http://carta.anthropogeny.org/>

**Proper Citation:** CARTA (RRID:SCR\_000525)

**Description:** A virtual organization that promotes transdisciplinary research into anthropogeny, or the study of human origins. The research interests are broad and include finding the structural and molecular differences between humans and apes, identifying and explaining external mechanisms, and defining the evolutionary origins of humans. The center hosts symposia as well as visiting professors for the anthropogeny graduate program.

**Abbreviations:** CARTA

**Synonyms:** Center for Academic Research and Training in Anthropogeny, Center for Academic Research & Training in Anthropogeny

**Resource Type:** nonprofit organization

**Keywords:** anthropogeny, anthropology, human, origin, graduate, ape, research, structural, molecular

**Funding:** Mathers Foundation ;  
Donations

**Resource Name:** CARTA

**Resource ID:** SCR\_000525

**Alternate IDs:** nlx\_51231

**Record Creation Time:** 20220129T080202+0000

**Record Last Update:** 20260808T185721+0000
