National Magnetic Resonance Facility at Madison

RRID:SCR_001449

Type: Tool

Proper Citation

National Magnetic Resonance Facility at Madison (RRID:SCR_001449)

Resource Information

URL: <http://www.nmrfam.wisc.edu/>

Proper Citation: National Magnetic Resonance Facility at Madison (RRID:SCR_001449)

Description: Provides access and develops NMR technology to advance range of applications and improves the efficiency, rigor and reproducibility of NMR data acquisition and analysis. Houses NMR spectrometers equipped with state-of-the-art probe technology and protocols to support acquisition of high-quality data. Spectrometers range from 500 MHz to 1100 MHz. Service is tailored to the needs of individual users and projects. Provides training and advice on experimental design, best practices for data acquisition, and data analysis. Experienced staff support users with training opportunities including workshops, video tutorials and protocols.

Abbreviations: NMRFAM

Resource Type: access service resource, training resource, service resource

Keywords: nmr spectrometer, structure, function, protein, rna, dynamics, complex, membrane protein, paramagnetic protein, metabolomics, analysis, spectroscopy, nucleic acid, automation, data analysis, macromolecule, small angle x-ray scattering, structural biology technology center

Funding: NIGMS R24GM141526;
NIGMS P41136463

Availability: Free, Freely Available

Resource Name: National Magnetic Resonance Facility at Madison

Resource ID: SCR_001449

Alternate IDs: nlx_152672

Record Creation Time: 20220129T080207+0000

Ratings and Alerts

No rating or validation information has been found for National Magnetic Resonance Facility at Madison.

No alerts have been found for National Magnetic Resonance Facility at Madison.
