sumo

RRID:SCR_001572

Type: Tool

Proper Citation

sumo (RRID:SCR_001572)

Resource Information

URL: <http://www.glycosciences.de/tools/sumo/>

Proper Citation: sumo (RRID:SCR_001572)

Description: Service that searches carbohydrate structures for motifs commonly used for carbohydrate classification, like N- and O-glycan cores, Lewis antigens, etc. Note: Sumo is currently under construction. Motif searches are a frequently used tool in proteomics. For carbohydrate structures, there are also many motifs classified in the literature, e.g. the Lewis antigens or the diverse O-glycan core structures. Sumo is a tool to locate such motifs in a carbohydrate structure given in LINUCS or in IUPAC nomenclature., THIS RESOURCE IS NO LONGER IN SERVICE. Documented on September 16,2025.

Abbreviations: sumo

Synonyms: sumo: SUGar MOTif search, SUGar MOTif search

Resource Type: data analysis service, analysis service resource, production service resource, service resource

Keywords: carbohydrate, structure, carbohydrate structure, motif, carbohydrate classification, sugar, iupac, nomenclature, notation

Availability: THIS RESOURCE IS NO LONGER IN SERVICE

Resource Name: sumo

Resource ID: SCR_001572

Alternate IDs: nlx_152885

Record Creation Time: 20220129T080208+0000

Record Last Update: 20260805T044025+0000

Ratings and Alerts

No rating or validation information has been found for sumo.

No alerts have been found for sumo.
