Proper Citation: Brain and Behavior Research Foundation (RRID:SCR_001992)

Description: The Brain and Behavior Research Foundation (formerly NARSAD, the National Alliance for Research on Schizophrenia and Depression) is committed to alleviating the suffering of mental illness by awarding grants that will lead to advances and breakthroughs in scientific research. Additionally, learn about brain and behavior disorders and upcoming events.

100% of all donor contributions for research are invested in NARSAD Grants leading to discoveries in understanding causes and improving treatments of disorders in children and adults, such as depression, bipolar disorder, schizophrenia, autism, attention deficit hyperactivity disorder, and anxiety disorders like obsessive-compulsive and post-traumatic stress disorders. Over a quarter of a century, we have awarded nearly \$300 million worldwide to more than 3,000 scientists carefully selected by our prestigious Scientific Council. We receive no government funding. All of our work relies on contributions from families, foundations and other caring donors.

Synonyms: National Alliance on Research in Schizophrenia and Depression, NARSAD: The Worlds Leading Charity Dedicated to Mental Health Research, NARSAD: The Brain and Behavior Research Fund, Brain & Behavior Research Foundation, Brain Behavior Research Foundation, National Alliance for Research on Schizophrenia Depression

Resource Type: data or information resource, portal, funding resource, topical portal

Keywords: adult, child, attention deficit-hyperactivity disorder, autism, behavior disorder, bipolar disorder, brain, depressive disorder, human, mental health, research, mental disease, neuropsychiatric illness, proceedings, grant, schizophrenia, post-traumatic stress disorder, anxiety disorder, autism, obsessive-compulsive disorder

Resource Name: Brain and Behavior Research Foundation

Resource ID: SCR_001992

Alternate IDs: nif-0000-12459

Alternate URLs: <http://www.narsad.org/>

Record Creation Time: 20220129T080210+0000

Record Last Update: 20260808T185746+0000

Ratings and Alerts

No rating or validation information has been found for Brain and Behavior Research Foundation.

No alerts have been found for Brain and Behavior Research Foundation.
