SHARCGS

RRID:SCR_002026

Type: Tool

Proper Citation

SHARCGS (RRID:SCR_002026)

Resource Information

URL: <http://sharcgs.molgen.mpg.de/>

Proper Citation: SHARCGS (RRID:SCR_002026)

Description: Software package for a DNA assembly program designed for de novo assembly of 25-40mer input fragments and deep sequence coverage.

Synonyms: SHort read Assembler based on Robust Contig extension for Genome Sequencing (SHARCGS), SHARCGS - SHort read Assembler based on Robust Contig extension for Genome Sequencing, SHort read Assembler based on Robust Contig extension for Genome Sequencing

Resource Type: sequence analysis software, software application, data processing software, data analysis software, software resource

Defining Citation: [PMID:17908823](#)

Keywords: dna, assembly, de novo, rna, sequencing, bio.tools

Availability: Free, Available for download, Freely available

Resource Name: SHARCGS

Resource ID: SCR_002026

Alternate IDs: OMICS_00029, biotools:sharcgs

Alternate URLs: <https://bio.tools/sharcgs>

License: GNU GENERAL PUBLIC LICENSE

License URLs: <http://sharcgs.molgen.mpg.de/docs/license.txt>

Record Creation Time: 20220129T080211+0000

Ratings and Alerts

No rating or validation information has been found for SHARCGS.

No alerts have been found for SHARCGS.
