BRAINSFit

RRID:SCR_002340

Type: Tool

Proper Citation

BRAINSFit (RRID:SCR_002340)

Resource Information

URL: <https://github.com/BRAINSia/BRAINSTools/tree/master/BRAINSFit>

Proper Citation: BRAINSFit (RRID:SCR_002340)

Description: A program for registering images with with mutual information based metric. Several registration options are given for 3,6, 9,12,16 parameter (i.e. translate, rigid, scale, scale/skew, full affine) based constraints for the registration. The program uses the Slicer3 execution model framework to define the command line arguments and can be fully integrated with Slicer3 using the module discovery capabilities of Slicer3

Abbreviations: BRAINSFit

Resource Type: registration software, software resource, data processing software, software application, image analysis software

Keywords: affine warp, analyze, c++, console (text based), dicom, image-to-image, intermodal, intersubject, linear warp, macos, microsoft, magnetic resonance, nifti, os independent, posix/unix-like, registration, spatial transformation, warping, windows

Availability: BSD License

Resource Name: BRAINSFit

Resource ID: SCR_002340

Alternate IDs: nlx_155701

Alternate URLs: <http://www.nitrc.org/projects/multimodereg>

Record Creation Time: 20220129T080212+0000

Record Last Update: 20260803T040331+0000

Ratings and Alerts

No rating or validation information has been found for BRAINSFit.

No alerts have been found for BRAINSFit.
