Integrative Modeling Platform

RRID:SCR_002982

Type: Tool

Proper Citation

Integrative Modeling Platform (RRID:SCR_002982)

Resource Information

URL: <http://integrativemodeling.org/>

Proper Citation: Integrative Modeling Platform (RRID:SCR_002982)

Description: An open source C++ and Python toolbox for solving complex modeling problems, and a number of applications for tackling some common problems in a user-friendly way. Its broad goal is to contribute to a comprehensive structural characterization of biomolecules ranging in size and complexity from small peptides to large macromolecular assemblies, by integrating data from diverse biochemical and biophysical experiments. It can also be used from the Chimera molecular modeling system, or via one of several web applications.

Abbreviations: IMP

Synonyms: IMP - the Integrative Modeling Platform, Integrative Modeling Platform (IMP), IMP the Integrative Modeling Platform

Resource Type: software toolkit, software resource

Defining Citation: [PMID:22272186](#)

Keywords: integrative modeling, structure determination, hybrid modeling, macromolecular assembly, c++, python, peptide, biomolecule, model, structural characterization, structure

Funding: NIGMS R01 GM083960

Availability: GNU Lesser General Public License, v2.1 or later, Acknowledgement requested, GNU General Public License

Resource Name: Integrative Modeling Platform

Resource ID: SCR_002982

Alternate IDs: SciRes_000187

License: GNU Lesser General Public License, v2.1 or later, Acknowledgement requested, GNU General Public License

Record Creation Time: 20220129T080216+0000

Record Last Update: 20260803T040337+0000

Ratings and Alerts

No rating or validation information has been found for Integrative Modeling Platform.

No alerts have been found for Integrative Modeling Platform.
