BiolImage Suite

RRID:SCR_002986

Type: Tool

Proper Citation

BiolImage Suite (RRID:SCR_002986)

Resource Information

URL: <https://bioimagesuiteweb.github.io/webapp/index.html>

Proper Citation: BiolImage Suite (RRID:SCR_002986)

Description: Web applications for analysis of multimodal/multispecies neuroimaging data. Image analysis software package. Has facilities for DTI and fMRI processing. Capabilities for both neuro/cardiac and abdominal image analysis and visualization. Many packages are extensible, and provide functionality for image visualization and registration, surface editing, cardiac 4D multi-slice editing, diffusion tensor image processing, mouse segmentation and registration, and much more. Can be intergrated with other biomedical image processing software, such as FSL, AFNI, and SPM.

Synonyms: Bioimagesuite Web

Resource Type: software resource, image processing software, data visualization software, data processing software, software application, image analysis software

Defining Citation: [PMID:21249532](#)

Keywords: Analysis, multimodal, multispecies, neuroimaging, data, DTI, fMRI, processing, visualization, registration, surface, editing, BRAIN Initiative

Funding: NIBIB R03 EB012969;
NIBIB R01 EB006494;
NIMH MH114805

Availability: Free, Available for download, Freely available

Resource Name: BiolImage Suite

Resource ID: SCR_002986

Alternate IDs: nif-0000-30179

Alternate URLs: <https://sources.debian.org/src/bioimagesuite/>,
