RIKEN BioResource Center

RRID:SCR_003250

Type: Tool

Proper Citation

RIKEN BioResource Center (RRID:SCR_003250)

Resource Information

URL: <http://www.brc.riken.jp/inf/en>

Proper Citation: RIKEN BioResource Center (RRID:SCR_003250)

Description: RIKEN BRC contributes to advancement of life science research by collecting, preserving and distributing biological resources such as experimental animals, experimental plants, cultured cell lines, genetic materials (DNA), and associated bioinformatics. The RIKEN BRC develops novel bioresources to promote scientific research and new technologies to increase the value of bioresources, and also to implement effective procedures for the preservation, quality control and usage of bioresources. The RIKEN BRC is working closely with institutions in Japan and abroad.

Abbreviations: BRC, RIKEN BRC

Synonyms: RIKEN Tsukuba Institute RIKEN BioResource Center

Resource Type: biomaterial supply resource, material resource, organism supplier

Defining Citation: [PMID:19448331](#), [PMID:34532769](#)

Keywords: RIN, Resource Information Network, experimental animal, experimental plant, cultured cell line, dna, animal, plant, cell line, genetic material, virus, gene, cultured cell, embryo, sperm, tissue, organ, seed, cell, recombinant host, bioresource, FASEB list, RRID Community Authority

Availability: Free, Freely available

Resource Name: RIKEN BioResource Center

Resource ID: SCR_003250

Alternate IDs: nif-0000-31407

Record Creation Time: 20220129T080217+0000

Ratings and Alerts

No rating or validation information has been found for RIKEN BioResource Center.

No alerts have been found for RIKEN BioResource Center.

Data and Source Information
