Reactome

RRID:SCR_003485

Type: Tool

Proper Citation

Reactome (RRID:SCR_003485)

Resource Information

URL: <http://www.reactome.org>

Proper Citation: Reactome (RRID:SCR_003485)

Description: Collection of pathways and pathway annotations. The core unit of the Reactome data model is the reaction. Entities (nucleic acids, proteins, complexes and small molecules) participating in reactions form a network of biological interactions and are grouped into pathways (signaling, innate and acquired immune function, transcriptional regulation, translation, apoptosis and classical intermediary metabolism) . Provides website to navigate pathway knowledge and a suite of data analysis tools to support the pathway-based analysis of complex experimental and computational data sets.

Synonyms: Reactome Functional Interaction Network

Resource Type: data analysis service, data or information resource, database, service resource, production service resource, analysis service resource

Defining Citation: [PMID:21082427](#), [PMID:21067998](#)

Keywords: pathway, interaction, reaction, nucleic acid, protein, complex, small molecule, signaling pathway, immune function, transcriptional regulation, translation, apoptosis, metabolism, ortholog, visualization, protein-protein interaction, web service, book, biomart, gold standard, bio.tools, FASEB list

Funding: Ontario Research Fund ;
European Molecular Biology Laboratory ;
NHGRI P41 HG003751;
European Union FP6 ENFIN LSHG-CT-2005-518254;
NIGMS GM080223;
NIGMS R01 GM100039

Availability: Open source, Public, Freely available

Resource Name: Reactome

Resource ID: SCR_003485

Alternate IDs: r3d100010285, nif-0000-03390, biotools:reactome

Alternate URLs: <https://bio.tools/reactome>, <https://doi.org/10.17616/R3V59P>

Record Creation Time: 20220129T080219+0000

Record Last Update: 20260801T190213+0000

Ratings and Alerts

No rating or validation information has been found for Reactome.

No alerts have been found for Reactome.
