Automatic Analysis

RRID:SCR_003560

Type: Tool

Proper Citation

Automatic Analysis (RRID:SCR_003560)

Resource Information

URL: <https://github.com/automaticanalysis/automaticanalysis>

Proper Citation: Automatic Analysis (RRID:SCR_003560)

Description: Integration framework for major open source packages in neuroimaging including SPM, FSL, FreeSurfer, EEGLAB, and Fieldtrip. Efficient neuroimaging workflows and parallel processing using Matlab and XML. Addresses challenges of processing multimodal datasets, like combining anatomy, functional MRI, diffusion, and EEG, to yield integrated views of brain. Allows to design, execute, and share pipelines utilizing multiple open source packages. Supports parallelized execution to address challenges of large cohort studies and provides quality control offering group statistics and reporting facilities to help identify outlier subjects and erroneous processing steps.

Abbreviations: aa

Synonyms: automaticanalysis, AutomaticAnalysis

Resource Type: image processing software, software toolkit, workflow software, software application, data processing software, data analysis software, image analysis software, software resource, time-series analysis software

Defining Citation: [PMID:25642185](#)

Keywords: Neuroimaging workflows, processing multimodal datasets, brain integrated views, fmri, eeg, meg, dwi, morphometry, parallel-processing, scripting, record-keeping,

Funding: NSERC Discovery and the Canada Excellence Research Chair (CERC) in Cognitive Neuroimaging ;
NSERC/CIHR CHRP ;
NIA R01 AG038490;
NIDCD R01 DC013063

Resource Name: Automatic Analysis

Resource ID: SCR_003560

Alternate IDs: nlx_157695

License: MIT License

Record Creation Time: 20220129T080219+0000

Record Last Update: 20260804T043227+0000

Ratings and Alerts

No rating or validation information has been found for Automatic Analysis.

No alerts have been found for Automatic Analysis.
