GSE17755

RRID:SCR_003650

Type: Tool

Proper Citation

GSE17755 (RRID:SCR_003650)

Resource Information

URL: <http://ranchobiosciences.com/gse17755/>

Proper Citation: GSE17755 (RRID:SCR_003650)

Description: Curated data set from a study that contains a gene expression profile of peripheral blood cells (PBMCs) isolated from patients (248 in total) with rheumatoid arthritis (RA)/ systemic lupus erythematosus (SLE)/ polyarticular type juvenile idiopathic arthritis (polyJIA)/ Systemic onset juvenile idiopathic arthritis (sJIA) vs healthy children (HC) and healthy individual (HI).

Abbreviations: GSE17755

Resource Type: data or information resource, data set

Keywords: gene expression profile, gene expression, juvenile, child, inflammation

Related Condition: Inflammatory disease, Rheumatoid arthritis, Systemic lupus erythematosus, Polyarticular type juvenile idiopathic arthritis, Systemic onset juvenile idiopathic arthritis

Availability: Free, Public

Resource Name: GSE17755

Resource ID: SCR_003650

Alternate IDs: nlx_157802

Record Creation Time: 20220129T080220+0000

Record Last Update: 20260804T043213+0000

Ratings and Alerts

No rating or validation information has been found for GSE17755.

No alerts have been found for GSE17755.
