Proper Citation: GSE13168 (RRID:SCR_003651)

Description: Curated data set from a study that assessed the effects of epidermal growth factor and interleukin 1-beta stimulation, and the modulatory effects of glucocorticoids treatment and protein kinase A inhibition, on the airway smooth muscle transcriptome by microarray analysis. The samples from 4 donors were subjected to different stimulations by IL-1b and EGF (or both) with or without pre-treatment with fluticasone, and data was collected at different timepoints.

Abbreviations: GSE13168

Resource Type: data or information resource, data set

Keywords: epidermal growth factor, interleukin 1-beta, glucocorticoid, protein kinase a, airway, smooth muscle, microarray, fluticasone

Related Condition: Asthma

Availability: Free, Public

Resource Name: GSE13168

Resource ID: SCR_003651

Alternate IDs: nlx_157803

Record Creation Time: 20220129T080220+0000

Record Last Update: 20260806T054353+0000

Ratings and Alerts

No rating or validation information has been found for GSE13168.

No alerts have been found for GSE13168.
