IMIDIA

RRID:SCR_003865

Type: Tool

Proper Citation

IMIDIA (RRID:SCR_003865)

Resource Information

URL: <http://www.imidia.org/>

Proper Citation: IMIDIA (RRID:SCR_003865)

Description: Consortium aiming to improve pancreatic beta-cell function and identification of diagnostic biomarkers for treatment monitoring in diabetes. It brings together academic teams, pharmaceutical companies, and a Small to Medium Enterprises (SMEs), which provides a unique blend of expertise and forms a strong basis for a successful enterprise to ultimately improve industrial competitiveness and Public Health in Europe. The program aims at delivering: * Novel tools for the study of human beta-cell development, function and survival; their modulation by potential therapeutic compounds; and for in vivo beta-cell imaging. * Biomarkers for the diagnosis and prognosis of beta-cell failure and for monitoring diabetes progression and treatment. * Knowledge on novel molecular pathways and sites that control beta-cell life & death as well as mass and function.

Abbreviations: IMIDIA

Synonyms: IMIDIA - Innovative Medicines Initiative for Diabetes: Improving beta-cell function and identification of diagnostic biomarkers for treatment monitoring in Diabetes, Innovative Medicines Initiative for Diabetes

Resource Type: organization portal, data or information resource, consortium, portal

Keywords: drug, biomarker, drug development, diagnostic, beta cell, pancreas, imaging, development, function, pathway, treatment, diagnostic, in vivo, in vitro, model

Funding: Innovative Medicines Initiative 115005;
EFPIA

Resource Name: IMIDIA

Resource ID: SCR_003865

Alternate IDs: nlx_158189

Record Creation Time: 20220129T080221+0000

Record Last Update: 20260803T040401+0000

Ratings and Alerts

No rating or validation information has been found for IMIDIA.

No alerts have been found for IMIDIA.
