Proper Citation: Olink Bioscience (RRID:SCR_003899)

Description: Commercial organization that produces products for biomarker research and development. Their goal is to help customers and collaborators to improve clinical decisions through the use of molecular biomarkers. Their tools bring new insights into disease processes, improve disease detection, and contribute to a better understanding of biology.

Abbreviations: Olink

Resource Type: commercial organization

Keywords: biomarker, disease

Resource Name: Olink Bioscience

Resource ID: SCR_003899

Alternate IDs: nlx_158232

Record Creation Time: 20220129T080221+0000

Record Last Update: 20260801T190227+0000
