Resource Information

URL: <http://www.annanurse.org/>

Proper Citation: American Nephrology Nurses Association (RRID:SCR_003966)

Description: Non-profit professional association that represents nurses who work in all areas of nephrology including hemodialysis, chronic kidney disease, peritoneal dialysis, acute care, and transplantation. Most members work in freestanding dialysis units, hospital outpatient units, and hospital inpatient units. ANNA develops and updates standards of clinical practice, educates practitioners, stimulates and supports research, disseminates knowledge and new ideas, promotes interdisciplinary communication and cooperation, and monitors and addresses issues encompassing the breadth of practice of nephrology nursing.
