Description: Samaritan Health Services (SHA) is a non-profit network of hospitals, physician clinics and health services caring for the communities of the mid-Willamette Valley and central Oregon Coast. We've joined together to provide innovative medicine and world-class quality in a way that's consistent with the values of the places we serve. That includes care and compassion for everyone, regardless of the ability to pay. Samaritan Health Services is a values-driven, church-related organization governed by community members, physicians and other health care providers. We seek to be the first choice of consumers in the region and to lead collaborative efforts among those who share similar goals.
