UniParc

RRID:SCR_005818

Type: Tool

Proper Citation

UniParc (RRID:SCR_005818)

Resource Information

URL: <http://www.uniprot.org/uniparc/>

Proper Citation: UniParc (RRID:SCR_005818)

Description: Database that contains publicly available protein sequences with stable and unique identifiers (UPI) which are never removed, changed or reassigned. UniParc tracks sequence changes in the source databases and archives the history of all changes. Information other than protein sequence must be retrieved from the UniParc source databases using the database cross-references.

Synonyms: UniProt Archive

Resource Type: database, data or information resource

Keywords: protein sequence, database, public protein sequence, gold standard, upi, unique protein identifier, identifier, bio.tools

Availability: Public, Entries are available for download

Resource Name: UniParc

Resource ID: SCR_005818

Alternate IDs: SCR_004769, nif-0000-03610, r3d100011519, biotools:uniparc, nlx_76940

Alternate URLs: <https://bio.tools/uniparc>, <https://doi.org/10.17616/R3X33B>

Record Creation Time: 20220129T080232+0000

Record Last Update: 20260803T040422+0000

Ratings and Alerts

No rating or validation information has been found for UniParc.

No alerts have been found for UniParc.
