MGI GO Browser

RRID:SCR_006489
Type: Tool

Proper Citation

MGI GO Browser (RRID:SCR_006489)

Resource Information

URL: http://www.informatics.jax.org/searches/GO_form.shtml

Proper Citation: MGI GO Browser (RRID:SCR_006489)

Description: With the MGI GO Browser, you can search for a GO term and view all mouse genes annotated to the term or any subterms. You can also browse the ontologies to view relationships between terms, term definitions, as well as the number of mouse genes annotated to a given term and its subterms. The MGI GO browser directly accesses the GO data in the MGI database, which is updated nightly. Platform: Online tool

Abbreviations: MGI GO Browser

Resource Type: production service resource, data or information resource, database, service resource, data analysis service, analysis service resource

Keywords: gene, ontology, browser, molecular function, biological process, cellular component, ontology or annotation browser, ontology or annotation search engine, ontology or annotation visualization

Availability: Free for academic use

Resource Name: MGI GO Browser

Resource ID: SCR_006489

Alternate IDs: nlx_149104

Record Creation Time: 20220129T080236+0000

Record Last Update: 20260803T040437+0000

Ratings and Alerts

No rating or validation information has been found for MGI GO Browser.

No alerts have been found for MGI GO Browser.

Data and Source Information
