Proper Citation: UCL Institute of Neurology (RRID:SCR_006574)

Description: The Institute of Neurology is a specialist postgraduate institute of UCL. The Institute is closely associated in its work with the National Hospital for Neurology & Neurosurgery, University College London Hospitals" NHS Foundation Trust, and in combination they form a national and international centre at Queen Square for teaching, training and research in neurology and allied clinical and basic neurosciences. The Institute of Neurology has eight academic departments encompassing clinical and basic research within in each theme: Neurodegenerative Disease; Molecular Neuroscience, incorporating the Reta Lila Weston Institute of Neurological Studies; Clinical and Experimental Epilepsy; Motor Neuroscience and Movement Disorders; Imaging Neuroscience; Brain Repair and Rehabilitation, Neuroinflammation and Clinical Neurosciences, Royal Free campus. In parallel there are currently six divisions representing professional affiliations: Clinical Neurology; Neurosurgery; Neurophysiology; Neuropathology; Neuropsychiatry and Neuropsychology; and Neuroradiology and Neurophysics. The Institute employs a total of around 500 staff, occupies some 6,451 sq m of laboratory and office space in five buildings, and has a current annual turnover of 33m pounds. The Institute currently holds over 250 active grants, supporting research into the causes and treatment of a wide range of neurological diseases, including movement disorders, multiple sclerosis, epilepsy, brain cancer, stroke and brain injury, muscle and nerve disorders, cognitive dysfunction and dementia, and the work of the Institute's clinical academic staff is closely integrated with the Hospital's care of patients. UCL Neuroscience is currently rated second in the world by ISI Essential Science Indicators, and four of the top twelve most highly cited authors working worldwide in neuroscience and behaviour are based at the IoN. There are seven Fellows of the Royal Society at Queen Square.

Abbreviations: IoN

Synonyms: UCL IoN, University College London Institute of Neurology
