VarScan

RRID:SCR_006849

Type: Tool

Proper Citation

VarScan (RRID:SCR_006849)

Resource Information

URL: <https://varscan.sourceforge.net/>

Proper Citation: VarScan (RRID:SCR_006849)

Description: Platform-independent, technology-independent software tool for identifying SNPs and indels in massively parallel sequencing of individual and pooled samples. Given data for a single sample, VarScan identifies and filters germline variants based on read counts, base quality, and allele frequency. Given data for a tumor-normal pair, VarScan also determines the somatic status of each variant (Germline, Somatic, or LOH) by comparing read counts between samples. (entry from Genetic Analysis Software).

Abbreviations: VarScan, VarScan 2

Synonyms: Varscan2, VarScan - variant detection in massively parallel sequencing data, Varscan

Resource Type: software resource, software application

Defining Citation: [PMID:22300766](#), [PMID:19542151](#), [DOI:10.1101/gr.129684.111](#)

Keywords: gene, genetic, genomic, java, illumina, solid, life/pgm, roche/454, next-generation sequencing, variant, mutation caller, exome, whole-genome, snp, copy number alteration, somatic mutation, subclonal mutation, mutation, bio.tools

Availability: Free, Available for download, Freely available

Resource Name: VarScan

Resource ID: SCR_006849

Alternate IDs: , nlx_154687, biotools:varscan, OMICS_00094

Alternate URLs: <http://varscan.sourceforge.net/>, <http://dkoboldt.github.io/varscan/>, <https://bio.tools/varscan>, <https://sources.debian.org/src/varscan/>

Old URLs: <http://genome.wustl.edu/software/varscan>,
<http://tvap.genome.wustl.edu/tools/varscan/>

Record Creation Time: 20220129T080238+0000

Record Last Update: 20260801T191052+0000

Ratings and Alerts

No rating or validation information has been found for VarScan.

No alerts have been found for VarScan.
