## Function BIRN

RRID:SCR_007291
Type: Tool

### Proper Citation

Function BIRN (RRID:SCR_007291)

### Resource Information

**URL:** http://www.birncommunity.org/collaborators/function-birn/

**Proper Citation:** Function BIRN (RRID:SCR_007291)

**Description:** The FBIRN Federated Informatics Research Environment (FIRE) includes tools and methods for multi-site functional neuroimaging. This includes resources for data collection, storage, sharing and management, tracking, and analysis of large fMRI datasets. fBIRN is a national initiative to advance biomedical research through data sharing and online collaboration. BIRN provides data-sharing infrastructure, software tools, strategies and advisory services - all from a single source.

**Abbreviations:** FBIRN

**Synonyms:** Functional Imaging BIRN

**Resource Type:** topical portal, data or information resource, portal

**Keywords:** fmri, 3d model, data storage, imaging, map, morphology, mri, neuroinformatics, segmentation, software, talairach, volume, warping, analyze, application, c++, csh/tcsh, data, database, database application, data resource, dicom, javascript, linux, magnetic resonance, nifti, ontology, pl/sql, posix/unix-like, python, quality metrics, spatial transformation, statistical operation, tcl/tk, unix shell, visualization, web resource, web service, workflow

**Funding:** NIGMS ;
NCRR 1U24-RR025736;
NCRR U24-RR021992;
NCRR U24-RR021760;
NCRR 1U24-RR026057-01

**Resource Name:** Function BIRN

**Resource ID:** SCR_007291

**Alternate IDs:** nif-0000-00070

**Alternate URLs:** http://www.nitrc.org/projects/fbirn

**Old URLs:** http://nbirn.net/tools/browse_tools.shtm

**Record Creation Time:** 20220129T080241+0000

**Record Last Update:** 20260804T043324+0000

## Ratings and Alerts

No rating or validation information has been found for Function BIRN.

No alerts have been found for Function BIRN.

## Data and Source Information

**Source:** SciCrunch Registry

## Usage and Citation Metrics

We found 2 mentions in open access literature.

**Listed below are recent publications.** The full list is available at ASWG .
