DTU

RRID:SCR_008481

Type: Tool

Proper Citation

DTU (RRID:SCR_008481)

Resource Information

URL: <http://www.dtu.ox.ac.uk>

Proper Citation: DTU (RRID:SCR_008481)

Description: It was founded in 1985 by Professor Rory Holman, specialises in performing diabetes-related national and multinational mega trials in partnership with the NHS, NIH, MRC, BHF, DUK, academic institutions and industry. The DTU also undertakes major modelling and statistical programmes to utilise fully the data available from its many studies, with a particular emphasis on modelling diabetes and cardiovascular disease processes. Current studies include 4-T, ACE, TECOS and UKPDS~Post Study Monitoring. Sponsor. Funded by the UK National Institute for Health Research

Abbreviations: DTU

Synonyms: Diabetes Trials Unit, The Diabetes Trials Unit

Resource Type: data or information resource, organization portal, portal

Resource Name: DTU

Resource ID: SCR_008481

Alternate IDs: nif-0000-30450

Record Creation Time: 20220129T080247+0000

Record Last Update: 20260912T200058+0000

Ratings and Alerts

No rating or validation information has been found for DTU.

No alerts have been found for DTU.
