FoldX

RRID:SCR_008522

Type: Tool

Proper Citation

FoldX (RRID:SCR_008522)

Resource Information

URL: <http://foldx.crg.es/>

Proper Citation: FoldX (RRID:SCR_008522)

Description: A computer algorithm that provides a fast and quantitative estimation of the importance of the interactions contributing to the stability of proteins and protein complexes. The predictive power of FOLDEF has been tested on a very large set of point mutants (1088 mutants) spanning most of the structural environments found in proteins . FoldX uses a full atomic description of the structure of the proteins. The different energy terms taken into account in FoldX have been weighted using empirical data obtained from protein engineering experiments.

Abbreviations: FoldX

Resource Type: data analysis service, service resource, production service resource, software resource, analysis service resource

Defining Citation: [PMID:15980494](#), [PMID:16006526](#)

Keywords: interaction, stability, protein, protein complex

Availability: Acknowledgement requested

Resource Name: FoldX

Resource ID: SCR_008522

Alternate IDs: OMICS_00129, nif-0000-30580

Alternate URLs: <http://fold-x.embl.de>, <http://fold-x.embl-heidelberg.de>

Record Creation Time: 20220129T080247+0000

Record Last Update: 20260801T190730+0000

Ratings and Alerts

No rating or validation information has been found for FoldX.

No alerts have been found for FoldX.
