Yahoo Developer Network

RRID:SCR_008594

Type: Tool

Proper Citation

Yahoo Developer Network (RRID:SCR_008594)

Resource Information

URL: <http://developer.yahoo.com/yui/>

Proper Citation: Yahoo Developer Network (RRID:SCR_008594)

Description: The YUI Library is a set of utilities and controls, written with JavaScript and CSS, for building richly interactive web applications using techniques such as DOM scripting, DHTML and AJAX. YUI is available under a BSD license and is free for all uses. YUI is proven, scalable, fast, and robust. Built by frontend engineers at Yahoo! and contributors from around the world, it's an industrial-strength JavaScript library for professionals who love JavaScript.

Synonyms: Yahoo
