### Resource Information

**URL:** <http://harvard.eagle-i.net/i/0000012c-bca3-4116-02c0-2b6880000000>

**Proper Citation:** HMS West Quad Computing Group (RRID:SCR\_009814)

**Description:** The West Quad Computing Group (WQCG) serves the research community of the BCMP and Cell Biology departments at Harvard Medical School. We provide support for your advanced computing needs, including design and maintenance of computational clusters, large data-set management, web and database backed applications, and workstation support, including workstations connected to research equipment. Please see Resources for more information, including a sample of some of our recent projects. We work in collaboration with the HMS Information Technology department. Please contact us using our support form for all of your computer support needs.

**Resource Type:** service resource, access service resource, core facility

**Resource Name:** HMS West Quad Computing Group

**Resource ID:** SCR\_009814

**Alternate IDs:** nlx\_156281
