Joslin Diabetes Center Animal Physiology Core Facility

RRID:SCR_009876
Type: Tool

Proper Citation

Joslin Diabetes Center Animal Physiology Core Facility (RRID:SCR_009876)

Resource Information

URL: https://joslinresearch.org/drc-cores/Animal-Physiology-Core

Proper Citation: Joslin Diabetes Center Animal Physiology Core Facility (RRID:SCR_009876)

Description: THIS RESOURCE IS NO LONGER IN SERVICE. Documented on October 27,2023. Core that provides technically advanced physiological evaluation of metabolism in diabetes, obesity, and their associated complications in rodents for DRC investigators and outside users. It also provides training of investigators and trainees in several physiological procedures.

Resource Type: core facility, service resource, access service resource, resource

Keywords: physiological evaluation, diabetes metabolism, obesity metabolism, rodent research, diabetes rodent research, physiological procedure training

Related Condition: Diabetes

Funding: NIDDK P30DK036836

Availability: THIS RESOURCE IS NO LONGER IN SERVICE

Resource Name: Joslin Diabetes Center Animal Physiology Core Facility

Resource ID: SCR_009876

Alternate IDs: nlx_156346

Record Creation Time: 20220129T080255+0000

Record Last Update: 20260803T040537+0000

Ratings and Alerts

No rating or validation information has been found for Joslin Diabetes Center Animal Physiology Core Facility.

No alerts have been found for Joslin Diabetes Center Animal Physiology Core Facility.

Data and Source Information
