Proper Citation: UAF Nutrition and Physical Activity Core (RRID:SCR_010070)

Description: Core facility that provides the following services: Data quality control and management service. The Nutrition and Physical Activity Core supports multidisciplinary research requiring dietary and/or physical activity assessment, as well as provide nutritional sciences expertise. The NPA Core offers a range of services including high-quality dietary assessment, active collaboration in the design, implementation, and analysis of nutrition-related research. In addition to supporting the needs of CAHNR projects, the NPA Core will also actively promote and foster new research programs investigating the diet of Alaska Natives.
